

PE & Sports Grant

The Bridge Integrated Learning Space

2016 -17

PE & Sports Grant 2016-17

The Bridge Integrated Learning Space

The purpose of the PE & Sports Grant is to improve sports provision in primary schools. In 2016-17 The Bridge Integrated Learning Space received £500. There has been an increase in this funding and in 2017-18 we expect to receive a greater amount, however this will depend on whether any further primary pupils are admitted to the school. Our grant has contributed towards enhancing our access to community swimming facilities. We have seen an increase in pupil participation, and have a targeted focus on promoting healthy lifestyles.
